He distributed the City of Grandview Elected and Appointed Officials Disaster Response and Recovery and Emergency Coordination Center Guidebook. He explained that at the February 25th study session, Charles Irwin with the Yakima County Office of Emergency Management would conduct a basic one-hour tabletop exercise to familiarize Council with what happens during a disaster/major incident and their involvement in the process.

3. LAND USE AND RECREATIONAL MARIJUANA

City Attorney Plant explained that the City Council previously requested that the Planning Commission consider municipal zoning and land use regulations relating to the siting of recreational marijuana uses within the City of Grandview. The Planning Commission met on January 29, 2014 to consider these issues. At the conclusion of the meeting, the Planning Commission passed a motion recommending that City Council prohibit marijuana businesses from locating within the City limits. A copy of the memorandum from the City Attorney was attached hereto and incorporated herein as part of these minutes.

Following discussion, Council consensus was to prohibit marijuana businesses from locating within the City limits. Action would be taken under unfinished and new business during the regular Council meeting.
