

**CITY OF GRANDVIEW  
NOTICE OF INTENT  
CONSTRUCTION STORMWATER GENERAL PERMIT APPLICATION  
EAST WINE COUNTRY PLAZA**

The City of Grandview, 207 West Second Street, Grandview, WA 98930, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, East Wine Country Plaza, is located at East Wine Country Road between Fir Avenue and McCreddie Road in Grandview, in Yakima County. This project involves 1.75 acres of soil disturbance for new roadway and utility construction activities.

There are no receiving surface waters, and all stormwater will be managed within the construction site.

Any persons desiring to present their views to the Department of Ecology regarding this application may do so in writing within thirty days of the last date of publication of this notice. Comments shall be submitted to the Department of Ecology. Any person interested in the department's action on this application may notify the department of their interest within thirty days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II antidegradation requirements under WAC 173-201A-320.
