### CITY OF GRANDVIEW PUBLIC DEFENDER AGREEMENT

THIS AGREEMENT, made and entered into this \_\_\_ day of March 2016, by and between Daniel Polage, PLLC, hereinafter the "Public Defender", and the CITY OF GRANDVIEW, a municipal corporation, hereinafter referred to as the "City".

WHEREAS, the Public Defender is an attorney licensed to practice law in the State of Washington, with offices at 2004 St. Helens Street, Yakima, WA, 98902; and

WHEREAS, the parties hereto are desirous of effectuating an agreement whereby the Public Defender will provide legal services for one indigent defendant in the Grandview Municipal Court and its various departments; now, therefore.

IT IS HEREBY mutually agreed as follows:

- 1. <u>Duties</u>. The Public Defender shall provide high quality defense attorney services for indigent defendants charged with misdemeanor and gross misdemeanor allegations occurring within the City of Grandview and processed by the City of Grandview Municipal Court where the City's primary public defender has a conflict that prevents representation of the defendant or defendants.
- 2. <u>Public Defender Availability</u>. Public Defender must be available by telephone 24 hours a day, seven (7) days a week, for each week of the year in order to give legal advice to the client described in Section 1 herein during the course of representing said client.
- 3. Administrative and Support Services. Public Defender shall be responsible for administrative costs associated with providing legal representation. Such costs include, but are not limited to, travel, telephones, law library, electronic research, financial accounting, case management systems, computers, software, office space, supplies, training, meeting reporting requirements imposed by the City, the WSBA and the Washington Supreme Court, and other costs necessarily incurred in the day-to-day management of the contract. Public Defender shall maintain an office that accommodates confidential meetings with clients. Public Defender shall staff their office with an appropriate number of support staff and other support services, including a postal address and adequate telephone service to ensure prompt response to client contact. Public Defender shall maintain appropriate computer/word processing equipment in order to handle the paperwork generated by the contract case load as well as to comply with all reporting procedures.

4. <u>Insurance</u>. Without limiting the Public Defender's indemnification, it is agreed that the Public Defender shall maintain in force, at all times during the term of this Agreement, a policy or policies of insurance covering its operation as described below.

#### A. General Liability Insurance

The Public Defender shall maintain continuously public liability insurance with limits of liability not less than Two Hundred Fifty Thousand Dollars (\$250,000) for each occurrence, personal injury, and/or property damage liability.

The Public Defender shall provide a certificate of insurance or, upon written request of the City of Grandview, a duplicate of the policy as evidence of insurance protection. The Public Defender shall immediately notify the City of any communication with their insurance provider canceling or threatening to cancel insurance coverage under this provision.

#### B. Professional Liability Insurance

The Public Defender shall maintain or ensure that its professional employees maintain professional liability insurance for any and all acts which occur during the course of their employment with the Public Defender which constitute professional services in the performance of this Agreement. For purposes of this Agreement, professional services shall mean any services provided by a licensed professional.

Such professional liability insurance shall be maintained in an amount not less than Two Hundred Thousand Dollars (\$200,000) combined single limit per claim/aggregate. The Public Defender further agrees that it shall have sole and full responsibility for the payment of any funds where such payments are occasioned solely by the professional negligence of its professional employees and where such payments are not covered by any professional liability insurance, including but not limited to the amount of the deductible under the insurance policy. The Public Defender shall not be required to make any payments for professional liability, if such liability is occasioned by the sole negligence of the City. The Public Defender shall not be required to make payments other than its judicially determined percentage, for any professional liability which is determined by a court of competent jurisdiction to be the result of the comparative negligence of the Public Defender and the City.

Such insurance shall not be reduced or canceled without thirty (30) days' prior written notice to the City. If such insurance is obtained on a "claims made" basis, the Public Defender will continue to carry coverage for not less than three (3) years after expiration of this Agreement, and will provide a certificate in form and content satisfactory to the City demonstrating such continuing

coverage. The Public Defender shall provide certificates of insurance or, upon written request of the City, duplicates of the policies as evidence of insurance protection.

#### C. Workers' Compensation

The Public Defender shall maintain Workers' Compensation coverage as required by law. The Public Defender shall provide a certificate of insurance or, upon written request of the City, a certified copy of the policy as evidence of insurance protection.

- 5. <u>Specific Duties</u>. The Public Defender shall provide services necessary or incidental to the performance of the work set forth in the PUBLIC DEFENDER STATEMENT OF WORK EXHIBIT A and consistent with CLIENT REPRESENTATION PRACTICE GUIDELINES- Exhibit B. The Public Defender acknowledges and agrees that the City may make changes to the specific duties of the Public Defender as necessary to maintain conformity with the Washington State Rules of Professional Conduct as well as case law and applicable court rules defining the duties of counsel and the rights of defendants in criminal cases. No such changes will be grounds for additional or revised compensation under this Agreement, unless the Public Defender demonstrates to the City's reasonable satisfaction that the change imposes an undue burden on the Public Defender's ability to provide the services required under this Agreement.
- 6. <u>Term and Renegotiation</u>. This Agreement shall commence on March 1, 2016 and expires on February 28, 2017.
- 7. <u>Compensation</u>. In return for the above-enumerated services, the Public Defender shall receive compensation in an amount of \$300.00 per case, payable upon proper voucher for the same, submitted by the Public Defender and received by the City Clerk at City Hall, Grandview, Washington. Payment shall be sought and paid upon certification that the case has been resolved and closed. All payments shall be made to:

Daniel Polage, PLLC 2004 St. Helens Street Yakima, WA 98908

For purposes of compensation, case will be "resolved" and may be closed by Public Defender, and he may request to withdraw, after a finding of guilt in a pending criminal case, after the probation matter for which a hearing is currently set is resolved, or after the issues to be reviewed on a Deferred Prosecution or SOC have been decided.

8. <u>Client Transport</u>. Public Defender, or his employees or subcontractors, shall not transport clients by vehicle (personal or otherwise) while

undertaking services pursuant to this Agreement. In the event Public Defender does transport clients during the course of representation as contemplated in this Agreement, Public Defender hereby agrees to release, indemnify, protect, defend and save harmless the City and its elected and appointed officials, employees, volunteers, and agents from all claims, actions, or damages of any kind and description which may occur to or be suffered by any person or persons, corporation, or property arising, directly or indirectly, out of such transport, caused or contributed thereto by the Public Defender or his employees or subcontractors.

- 9. <u>Expert Witnesses</u>. The City shall, in addition, compensate the Public Defender for all expert witness fees incurred by the Public Defender on behalf of indigent clients covered by this Agreement upon application and approval of the court.

- 12. <u>Successors Bound</u>. Subject to the provisions of Section 11, this Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors, and assigns.
- 13. Ethic Compliance, Reports, and Training. The Public Defender will provide the aforementioned services in conformity with all applicable Rules of Professional Conduct and will provide the Municipal Court and the City with any reports, fiscal or otherwise, which are reasonably required in the performance of the Municipal Court's and the City's responsibilities. An annual report shall be provided by the Public Defender on or before August 1 of each year. The report must include a statement of hours billed for nonpublic defense legal services in the previous calendar year, including number and types of private cases, as the same may be required by RCW 10.101.050, as now exists or may be subsequently amended. - 14. <u>Taxes and Assessments</u>. The Public Defender shall be solely responsible for compensating its employees and for paying all related taxes, deductions and assessments, including but not limited to, leasehold excise taxes, federal income tax, FICA, social security tax, assessments for unemployment

and industrial injury, and other deductions from income which may be required by law or assessed against either party as a result of this Agreement. In the event the City is assessed a tax or assessment as a result of this Agreement, the Public Defender shall pay the same before it becomes due.

- 15. <u>Independent Contractor</u>. The parties agree that the Public Defender is an independent contractor with the responsibility and authority to control and direct the performance of the details of the work described herein in accordance with the terms and conditions of this Agreement. The implementation of contracted activities and the results to be achieved are solely the responsibility of the Public Defender. No agent, employee, subcontractor, or representative of the Public Defender shall be deemed to be an employee, agent, servant, or representative of the City or of the City of Grandview Municipal Court for any purpose, and the employees, agents, subcontractors, or representatives of the Public Defender are not entitled to any of the benefits the City provides for its employees. Provided, however, that nothing herein shall be deemed to require the Public Defender to indemnify the City or its elected or appointed officials, agents, volunteers, or employees for injury to persons, corporation, and/or property arising from the sole negligence of the City and its elected or appointed officials, employees, volunteers, and agents. In case of suit or action brought against the City and/or its elected or appointed officials, agents, volunteers, and employees for damages arising out of or by reason of any of the above-mentioned causes, the Public Defender agrees to pay all costs of defense, including reasonable attorney's fees and any judgment.

Leniency, delay or failure of either party to insist upon strict performance of any agreement, covenant or condition of this Agreement, or to exercise any right herein given in any one or more instances, shall not be construed as a waiver or relinquishment of any such agreement, covenant, condition or right.

SUBJECT: Circle Park

DATE: March 1, 2016

#### Introduction

As directed by the City Council at the meeting on February 9, 2016, this memorandum provides preliminary guidance to the City Council with respect to Circle Park. The dedication of the park for public purposes may be vacated pursuant to the procedures outlined in Ch. 58.17 RCW.

#### Legal Analysis

Background information has been provided by Eric Herzog of HLA and is relied upon herein. Mr. Herzog's email of January 29, 2016, is attached. Circle Park was created by virtue of two plats, one on the north and one on the south. It is significant that the land at issue was not deeded to the City. Rather, the plats dedicated the portion of real property comprising the park for public use.

Chapter 58.17 RCW prescribes a procedure for vacating a dedication for public use in a subdivision. Pursuant to these procedures, any person interested in vacating the dedication must file an application with the City Council. RCW 58.17.212. The application must be signed by everyone with an interest in the part of the subdivision to be vacated. *Id.* The application must also set forth the reasons for vacation. *Id.* 

If the area to be vacated is subject to any restrictive covenants and the application would result in the violation of such covenants, the application needs to obtain an agreement by all the parties subject to the covenants agreeing to terminate or alter the covenants. *Id.* The plats themselves indicate no restrictive covenants covering Circle Park. Mr. Herzog has confirmed the absence of any subsequently filed covenants with a title company.

Upon receipt of an application to vacate the dedication, the City Council must conduct a public hearing. The notice provisions are spelled out in RCW 58.17.080 and .090. Following the public hearing, the City Council may determine whether the public use and interest is served by vacating the dedication and approve or deny the application. RCW 58.17.212.

The statute provides that where land in a subdivision has been dedicated to the public, or for public use and benefit, the land, if not already deeded to the City, shall be deeded to the City unless the City Council determines that and makes specific findings that the public use would not be served in retaining title to the land. *Id.* In the case, title will vest with the rightful owner as shown in the county records. *Id.* This language indicates that the City Council has discretion whether the City should obtain or retain ownership of the real property subject to the dedication.

At the City Council meeting on February 9, 2016, questions arose concerning whether the City may want to retain or acquire right-of-way through Circle Park that exceeds the 40 foot right-of-way that I understand presently exists on West 5<sup>th</sup> Street on either side of the park. It seems probable that this could be achieved by preparing a legal description that vacates the dedication over the park and excludes an area equal to a 60-foot right-of-way (or whatever width the City preferred). The City's engineer should be consulted for details on pursuing this course of action.

RE: Circle Park Legal Description

Hi Anita,

Here is what we know about the Circle Park.

The north half of the park was dedicated on the Plat of PARK SUBDIVISION OF TRACT G,H,I,J, ANDK. GRANDVIEW, WASH. In Volume C, page 49.

The South half of the park was dedicated on the Plat of CHERRY LANE TRACTS in Volume E, page

I reviewed both plats and there are no restrictions or covenants on the park area listed on the face of the plats. I think you can go ahead and vacate the right of ways and park through the Cities standard vacation process. I would recommend reserving right of ways for West 5<sup>th</sup> Street and Avenue H, and reserve easements for any public utilities that may exist.

The Quit Claim Deed, Auditor's file number 2548252, is for right of way for a corner clip at the northwest corner of the intersection of Grandridge and West 5<sup>th</sup> Street.

The two Treasurer's Deeds describe properties all over town that the City acquired in the 1930's. Treasurer Deeds are used to convey property that was foreclosed upon usually due to not paying property taxes. None of the parcels described in the deeds is adjacent to the park.

I will send you full size copies of the plats early next week. We will have one of our inspector's drop them off to you on their way through. I have highlighted parcels described in the deeds on the plats.

Please let me know if you would like us to prepare exhibit maps and legal descriptions for you use in vacating the park and adjacent right of ways.

I hope this helps.
