ARTICLE 1 - PREAMBLE

- 1.1 This Agreement is made and entered into by and between the **CITY OF GRANDVIEW**, hereinafter referred to as the "Employer," and **TEAMSTERS LOCAL NO. 760**, hereinafter referred to as the "Union," for the purpose of fixing the scale of wages, schedule of hours and the general working conditions affecting the employees.

ARTICLE 2 - RECOGNITION AND BARGAINING UNIT

- 2.1 The Employer recognizes the Union as the exclusive bargaining agent for all employees of the following City Departments: Water, Street, Sewer, Cemetery, Irrigation, Parks and Recreation, and Garbage. The Public Works Director, Parks and Recreation Director, Supervisors, Office-Clerical Employees, Confidential Employees, Temporary, and Seasonal Employees, are excluded from the bargaining unit.

ARTICLE 3 - UNION MEMBERSHIP AND DUES

- 3.1 Joining the Union: All employees in this bargaining unit have the right to voluntarily join the Union. The Union as the Exclusive Bargaining Representative agrees to carry out its responsibilities under RCW 41.56.080.
- 3.2 Questions About Union Membership: If an employee has questions about Union membership, the Employer will remain neutral and direct the employee to discuss this topic with a Union Staff Representative. The Union's Staff Representative shall address the employee's inquiry as soon as possible.
- 3.3 Signed Dues Deduction Authorization: Current union members and those who choose to pay monthly dues via a signed payroll deduction authorization will have their dues deducted once each month from their pay by the Employer. The signed payroll deduction authorization may be submitted electronically or by paper writing and must be presented to the Employer's Human Resources/Clerk position. The deduction will begin in the payroll period after submission of the dues deduction authorization card or as soon as administratively possible if not submitted with enough time to make the next payroll period. If the employee chooses to discontinue union membership and payment of dues, said employee must provide notification to the Union and the Employer. Such discontinuance shall be effective in the next payroll period after notification. The Employer is not a party to the authorization for payroll deduction as that is between the employee and the Union.
- 3.4 Amounts Deducted: The amounts to be deducted shall be certified to the Employer by Teamsters Local 760 and the aggregate deductions shall be remitted to Teamsters Local 760 together with an itemized statement including the employee name, department, hours worked, monthly base wage and the amount of union dues deducted, after such deductions are made. If an employee terminates his/her employment on or before the 15th

of the month, dues will not be deducted for that month; if the termination is after the 15th, dues will be deducted.

- 3.5 **New Employee Orientation:** These provisions shall be carried out in conformity with RCW 41.56.037. The Employer agrees to notify the Union Representative in writing of any new employee orientation date within a reasonable period of time. The Employer shall provide the name of the employee, corresponding job title, and Department. A Union official shall be granted up to thirty minutes to provide each new employee a basic overview of the employees' rights and responsibilities regarding Union membership and dues authorizations.
- 3.6 **Hold Harmless and Indemnification:** The Union agrees to defend and hold harmless the Employer from all claims, demands, lawsuits, orders, or judgments, etc., brought or issued which may arise from the Employer making a good faith effort to administer the provisions of this Article.

ARTICLE 4 - RIGHTS OF PARTIES

- 4.1 **Management Rights:** The Union recognizes and agrees that the Employer has core management rights to manage and direct the affairs of the Employer without bargaining about the decisions and effects in all its various aspects, including, but not limited to the right to manage, direct and supervise all operations of the work force; to assign overtime; to plan, direct, control and determine all the operations and services of the Employer; to determine the means, methods, organization and number of personnel by which operations and services are to be conducted; to establish the qualifications for employment; to hire, assign, transfer and promote employees; to demote, suspend without pay, discipline or discharge employees for just cause. (Probationary employees without just cause); Layoff employees due to lack of work, lack of funds or reorganization; to make and enforce reasonable rules and regulations for the Departments; to change and/or eliminate existing methods, equipment and/or facilities; to make any and all decisions pertaining to budgetary and fiscal matters; and to take whatever action is necessary in the event of an emergency; provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

The foregoing functions of the Employer shall not be deemed to exclude other functions of the Employer not specifically set forth above.

The exercise of these rights which do not conflict with the collective bargaining agreement shall be the prerogative of the Employer and such exercise shall not be subject to grievance or arbitration.

ARTICLE 5 - DEFINITIONS OF EMPLOYEES

- 5.1 **Probationary Employee:** An employee shall serve a probationary period of not less than twelve (12) calendar months. A probationary employee shall work under the provisions of

this Agreement, but the Employer has the right to terminate/discharge a probationary employee at any time without just cause and without any recourse such as using the grievance procedures.

- 5.2 **Regular Part-Time Employee:** A Regular Part-Time employee is one who has successfully completed his/her probationary period who may work less than eight (8) hours per day or forty (40) hours per week. Such employee(s) shall be paid hourly in accordance with the applicable job classification. A regular, part-time employee shall be entitled to a pro-rata share of sick leave benefits and vacation benefits. For each month a Regular Part-Time employee works or is compensated for at least eighty (80) hours, said employee will receive pro-rata sick leave and vacation benefits in ratio to that of a Regular Full-Time employee. Regular Part-Time employees are entitled to medical benefits pursuant to Section 18.1.5. Employees who are hired as Regular Full-Time while serving in a Regular Part-Time capacity shall receive credit for all time served as a Regular Part-Time employee towards satisfying the twelve (12) month probationary period.
- 5.3 **Regular Full-time Employees:** A regular full-time employee is one who has successfully completed his/her probationary period, is employed on a regular basis, and is paid in accordance with the applicable job classification. A regular full-time employee is entitled to accrue the full benefits and conditions of this Agreement.
- 5.4 **Employer:** Wherever the term "Employer" is used in this Agreement, it shall mean the City Administrator and/or designee.

ARTICLE 6 - SENIORITY

- 6.1 No employee shall acquire seniority until s/he has become a regular employee under this Agreement. A regular employee is one who has successfully completed twelve (12) calendar months of service with the Employer since his/her last date of employment. A list of employees arranged by job classification in the order of seniority within the job classification shall be provided to the Union annually upon request by the Union.
- 6.2 The seniority of an employee shall be considered broken, all rights forfeited, and there is no obligation under this Agreement to rehire when the employee:
- (a) Voluntarily leaves the service of the Employer;
 - (b) Is discharged for just cause;
 - (c) Is laid off due to lack of work for more than twelve (12) consecutive calendar months;
 - (d) Is absent from work because of a non-occupational illness or injury not to exceed twelve (12) consecutive calendar months unless extended by the Employer;

- (e) Occupational illness or injury will be governed by State Statute(s);
 - (f) Leaves the bargaining unit to accept a position with the Employer outside the bargaining unit. If said employee wishes to return to the bargaining unit within six (6) months of leaving the bargaining unit, provided mutual agreement to do so, the Union and Employer will meet and confer. This clause is intended as an informational aid only to the employee;
 - (g) Fails to return to work upon recall from a lay-off within seven (7) calendar days after receipt of written notice from the Employer at his/her last known address appearing on the Employer's records.
- 6.3 There shall be no deduction from continuous service for any time lost which does not constitute a break in service as set forth herein, except as provided in Article 9, Section 9.9 - Leave of Absence.
- 6.4 **Layoff – Recall:** The Employer has the sole discretion to determine when a layoff or recall is necessary. Normally, a layoff becomes necessary when the Employer determines there are budgetary problems, insufficient work or in the event of a reorganization. The Union recognizes the Employer has the right to determine when particular job classification will be affected by the layoff or recall. The particular job classifications consist of Wastewater Treatment Plant Operator, Water Plant Operator, Public Works Maintenance Technician, and Building Official/Code Enforcement Officer. The Employer will provide the Union a seniority list by classification. Disputes about seniority within a classification are subject to the grievance procedure.
- 6.4.1 Seniority will prevail in the event of a job classification layoff or recall. The affected employee(s) by seniority will have the right to displace the most junior employee(s) in the bargaining unit even in a different job classification provided the employee(s) has the minimum qualifications for the position and is able to attain the necessary certification(s), if required, within a six (6) month period of time. The six (6) months may be extended by mutual agreement. Current Certifications for each employee shall be taken into consideration.
- 6.4.2 In questions regarding the deficiency of a senior employee to perform the work in a particular job classification, the Union may require the employer to provide a written explanation for laying off or not recalling the senior employee.
- 6.5 In the event of a layoff, the Employer agrees to give the employees a minimum of five (5) working days' notice and each employee shall give the Employer at least five (5) working days' notice prior to leaving city employment. This shall not apply to dismissals carried out under Article 19.

- 6.5.1 Should either party fail to give the five (5) working days' notice, that party shall be subject to the penalty of wages at the contract rate for each day not so notified to the maximum of five (5) working days, holidays excepted.

ARTICLE 7 - JOB OPENINGS - POSTING - TRIAL PERIOD

- 7.1 A job opening or vacancy shall not be deemed to exist until the Employer has posted such as available. Notices of openings(s) in positions covered by this Agreement shall be posted at appropriate Employer locations and a copy sent the Union. The notices will contain a description of the job, including qualifications, wage rates, and hours of work.
- 7.2 Application forms for the open position(s) will be available at City Hall, and the opening(s) will remain posted for a period of not less than seven (7) calendar days, except by mutual agreement between the Employer and the Union. Employees wishing to make application for the open position must do so within such period.
- 7.3 The applicant who is most qualified for the position advertised by virtue of training, experience, performance, and dependability, shall fill the open position. When qualifications are substantially equal between applicants, the employee with highest seniority standing will fill the position.
- 7.4 Nothing herein will preclude the Employer from making temporary assignments during such vacancy(s).
- 7.5 An employee who has successfully bid a new position opening shall serve a trial period of not less than six (6) months at his/her new position. Exception: The Employer may grant an extension to this six (6) month trial period. An employee who is promoted to another bargaining unit classification and who is unsuccessful in satisfactorily completing the trial period may revert to the previous position, displacing any other employee filling that position.
- 7.6 Employees transferring between divisions covered under this Agreement shall not have their seniority rights affected.

ARTICLE 8 - DEMOTION - LATERAL TRANSFER

- 8.1 The term "demotion" shall mean the re-assignment of an employee (either voluntarily or involuntarily) from his/her present position to a lower paying position.
- 8.2 The term "lateral transfer" shall mean the re-assignment of an employee to a different work classification involving a significant change of duties at no change in pay.
- 8.3 **Temporary Assignments:** When employees are temporarily assigned to work in a department other than their regular department, the Employer will provide a two (2) week notice of such temporary assignment. Such notice shall contain an estimate of the duration

of the temporary assignment. This notice is intended to apply to temporary assignments of long duration and is not necessary in cases of normal day-to-day temporary assignments.

ARTICLE 9 - EMERGENCIES/SICK LEAVE BANK

9.1 Sick Leave: Regular employees shall accumulate sick leave on the basis of eight (8) hours per month, not to exceed ninety-six (96) hours annually.

9.1.3 Employees shall be eligible for Emergency/Sick Leave benefits pay at the employee's regular rate of pay when s/he is absent from his/her duties by reason of his/her sickness or injury, or as authorized by law (49.46.210 RCW) or when quarantined due to exposure to a contagious disease, or when his/her presence at work would jeopardize the health of others. Notification of absence on account of illness or injury shall be given by calling the Employer's phone message system prior to the start of their regular shift. Failure to notify will constitute cause, which may result in loss of leave pay. Circumstances beyond the employee's control will not disqualify them from leave pay.

A Department Head may require a doctor's statement from the employee, verifying the employee's condition, which prevented him/her from returning to work after three (3) consecutive days off on sick leave.

9.2 Sick Leave on Vacation: Whenever an employee is off duty on paid vacation and is ill or

injured during that period, s/he may charge such absence to his/her sick leave account by sending prompt notice of illness or injury and a doctor's statement verifying same to his/her Department Head. Remaining vacation shall then be deferred.

- 9.3 **Emergency Family Leave:** When a regular full-time or regular part-time employee suffers a serious illness of a member of his/her immediate family, s/he may, be absent from duty as allowed by applicable state and federal statute. Employees may make a written request to their respective department directors asking for exceptions to these guidelines, which describe the justification for a request to deviate from the bereavement time off.
- 9.4.1 When an employee participates in a funeral ceremony not involving immediate family as defined in 9.4, he/she may be granted a reasonable time off without pay to perform such duty. Time not worked because of such absence shall not affect vacation or sick leave accrued.
- 9.5 **Birth of Child/Child Bonding Leave:** A regular full-time or regular part-time employee may be absent for the birth of a child by the employee's spouse. Employees may utilize accrued Sick Leave, Comp Time, or Vacation time for the bonding leave. The length of time off shall be as permitted by applicable state or federal statute.
- 9.6 **Maternity Leave:** Maternity leave shall be provided as a form of illness/disability leave to expectant mothers in accordance with the following provisions. The length of maternity leave shall be only that time actually required for confinement, birth of the child, and recovery, including medical complications, if any. Such complications shall be attested to in writing by the attending physician. An employee requesting maternity leave shall give written notice to the City at least two (2) weeks prior to commencement of such leave, when practical. Sick leave benefits shall be limited to that amount which the employee has accumulated.

- 9.7.1 **Return to Work Policy:** The Employer values the safety, health, and well-being of all employees, and it is its policy to provide safe and healthful working conditions in all operations and to follow all safety and health laws and regulations. It is important that employees who become injured or ill return to work as early as it is medically safe to do so. The Employer shall stay in contact with employees and their medical providers to stay current on medical recovery practice. Employees shall report any job-related injury or illness to their supervisor and seek medical care immediately. Subject to the availability of light-duty work, the Employer will strive to develop light-duty assignments for employees who are unable to return to their normal duties while recovering from their injuries. The Employer shall solicit input from employees about their physical ability to perform a job. The Employer will also provide the attending doctor with information about work the employee is to perform to obtain approval for any work offered by the Employer. Employees will be expected to follow the advice of their attending doctor at all times. Any problems with an employee's physical ability to handle a job assignment shall reported to the supervisor immediately; the problem should also be reported to the attending doctor as soon as possible to determine the need to modify the work assignment. Such leave shall be granted in order that the employee shall be able to participate in his/her mandatory active training duty. Such military leave shall be in addition to any vacation or sick leave to which the employee might otherwise be entitled, and shall not involve any loss of efficiency rating, privileges or pay. Verification of military orders may be required. The employee shall, in advance, provide an official copy of his/her military order, if available.
- 9.9 **Leave of Absence:** The Employer may at its sole discretion grant a leave of absence for a period of up to six (6) months. This period may be extended by mutual agreement between the employee and the Employer. Such leave of absence shall be in writing with a copy to the Union. Employees granted a leave of absence in accordance with this provision shall suffer a break in seniority equal to the length of leave. Exception: When the leave is for thirty (30) calendar days or less, no break in seniority shall occur.

If the changes involve a City plan, then the City shall immediately notify the Union of the changes. The parties shall discuss the changes within a sixty (60) calendar day period from the date of written notification. If the discussions result in a mutually acceptable solution within the sixty (60) calendar day period, then that solution will be implemented. If the discussions do not result in a mutually acceptable solution within the sixty (60) calendar day window, then the Employer has the right to implement the change as determined to be necessary by management.

However, if the Employer has more time than thirty (30) calendar days from the date of the determination to provide notice to the Teamster Representative then such notice as is practicable will be provided. For example, if there is sixty (60) calendar days from the determination, the Employer will provide sixty (60) calendar days' written notice. The purpose of this timeframe is to provide the parties an opportunity to bargain about the effects of such determination and the changes the Employer needs to make to avoid the imposition of "Cadillac" taxes, fees, assessments, liability, etc. If the parties are unable to reach an agreement about the effects of bargaining during the sixty (60) calendar days or more, depending on the notice as discussed above, then the Employer has the right to implement the changes management believes are necessary to eliminate the "Cadillac tax" liability of the Employer and of the insurance providers. The parties will continue bargaining the effects after the Employer implements its changes, then the parties will proceed with effects' bargaining until impasse. If the parties reach agreement, then said agreement shall supplement the Agreement provisions of this Article.

- 19.1 The Employer may discipline an employee subject to just cause. Examples of just cause for discipline are as follows:

The Employer has the right to administer a combination of the above disciplinary action(s) such as a suspension without pay and Performance Improvement Plan (PIP) or demotion and PIP or demotion, PIP and last chance agreement, etc.

- 19.3 The parties agree that progressive and escalating levels of discipline are preferable for minor violations of work rules in order to allow an employee notice of misconduct and to allow the Employer to document prior disciplinary matters. The parties agree that for serious misconducts and/or performance issues, progressive and escalating levels of discipline are not necessary, and the Employer can proceed directly to the higher levels of disciplinary action up to and including discharge regardless of whether the employee has any prior disciplinary actions in his/her file. When progressive and escalating levels of discipline for minor violations is being considered, the level or degree of discipline imposed shall be appropriately based on an employee's prior record of service, length of service, severity of offenses and prior record of discipline; the order in which these criteria appear is not indicative of their priority. Subject to the tenets of just cause, all previous disciplinary actions in an employee's file may be evaluated and considered in a disciplinary action.
- 19.4 **Administrative Leave:** When the City Administrator or designee has reasonable belief that circumstances are such that retention of the employee will likely result in disruption of Employer services, damage to or loss of Employer property or be injurious to the employee, fellow employees or the services provided by the Employer, the Employer/Department Head has the right to place the employee on administrative leave with pay immediately, pending an internal affairs investigation and potential discipline. In such cases, the specified charges/allegations against the employee shall be made available to the employee and the Union, in writing, by the Employer not later than three (3) working days after the employee was placed on administrative leave with pay.
- 19.5 **Probationary Period:** Newly hired employees serve a probationary period of up to twelve (12) calendar months. Probationary employees shall work under the provisions of this Agreement, during which period they are subject to being discharged without just cause and without any recourse.
- 19.6 The employee shall have the right to inspect his/her personnel file. The employee shall have the right to add their written comments to materials added to the personnel file.
- 19.7 Any written reprimand in an employee personnel file will be removed from the file after one (1) year if there has been no recurrence of the type or kind of conduct giving rise to the reprimand. If there is a recurrence, the written reprimand will remain in the file for one (1) year from the date of the recurrence.
- 19.8 **Suspension without Pay, Demotion, Last Chance Agreements, PIPs and Discharge:** Any suspension without pay, demotion, last chance agreement, PIP and discharge shall remain permanently in the personnel file.
- 19.9 **Suspension without Pay, Demotion and Discharge:** The Employer has the right to suspend without pay, demote, or discharge/terminate an employee for just cause. Prior to implementing disciplinary action, the Employer will present to the Union and employee a

letter/written notice of pre-disciplinary action meeting which shall contain a description of the violation(s), misconduct(s) and/or performance problems as well as the departmental policies, procedures, rules, regulations, etc., being relied upon by the Employer within fourteen (14) calendar days of the conclusion of the investigation of potential violation(s) or misconduct(s). The written notice will indicate that the employee has the right to have their Union representative present at the pre-disciplinary action meeting. If the Union representative is present, they will not interfere with the conduct and completion of the pre-disciplinary action meeting. The notice will set forth the date, time, and location of the pre-disciplinary action meeting.

- 19.10 The purpose of the pre-disciplinary action meeting is to provide the employee with an opportunity to explain his/her side of the facts, misconducts, violations and/or performance problems before the Employer implements disciplinary action. The Employer will issue a written decision regarding disciplinary action(s) within fourteen (14) calendar days after the pre disciplinary action meeting. The timing of issuance of the written decision may be extended by mutual agreement.

ARTICLE 20 - GRIEVANCE AND ARBITRATION PROCEDURE

- 20.1 **Grievance Defined:** For the purposes of this Agreement, a grievance is defined as a dispute about the specific terms or interpretation of a particular clause of this Agreement or about an alleged violation of the Agreement.

- 20.2 **Grievance Adjustment Steps:** Grievances shall be processed within ten (10) calendar days of the date on which the grievance occurred or when the employee reasonably should have known about the occurrence thereof in the following manner:

Step 1: An employee and/or the Union shall discuss the grievance with the employee's immediate supervisor outside of the bargaining unit. The employee may meet with or without a Union representative and shall document the meeting with a memorandum signed by the employee and the supervisor. The supervisor shall respond to the grievance as quickly as possible, but not later than ten (10) days after the grievance is first discussed. If the supervisor fails to timely respond, the grievant has the right to move the grievance to Step 2 no more than ten (10) days after the supervisor's response was due.

Step 2: If, within ten (10) days from receipt of the immediate supervisor's reply, the grievance remains unresolved, the employee or the Union shall submit written notice to the Department Head with a copy to the Union if submitted by the employee, including: 1) statement of the grievance and relevant facts; 2) specific provisions of the Agreement violated; and 3) remedy sought. The Department Head shall meet with the grievant and the Union and attempt to resolve the grievance. The Department Head shall respond to the employee or the Union in writing within ten (10) days after the meeting with a copy to the Union.

Step 3: If, within ten (10) days from receipt of the Department Head's reply the grievance remains unadjusted, the grievance may be submitted to the City Administrator. The City Administrator may meet with the aggrieved party, the Department Head, and the Union representative, and shall respond within ten (10) days of the meeting, with a copy to the Union.

Step 4: If the grievance still remains unsettled, the parties may mutually agree to grievance mediation to be presided over by a PERC mediator. This mediation process must be concluded within a reasonable period of time. If mediation does not result in a solution, then either party may submit the matter to arbitration within ten (10) calendar days from either parties' notification that mediation has not resolved the matter.

20.3 Arbitration: After the grievance has been so submitted, the parties will attempt to mutually agree on an arbitrator within fifteen (15) calendar days of submission. If the parties are unable to agree, then either party may request from the Washington Public Employment Relations Commission (PERC) a list of nine (9) arbitrators. The parties shall select an arbitrator from the list by alternatively striking a name, with the first strike being determined by lot. The final name left on the list shall be the arbitrator. The arbitrator's decision shall be final and binding, but the arbitrator shall have no power to alter, modify, add to or detract from the terms of the contract. The arbitrator shall not have the authority to award punitive damages. The arbitrator's decision shall be within the scope and terms of the contract and in writing including detailed findings and conclusions, together with an explanation of the reasoning utilized in making the decision. The arbitrator shall be asked to submit his or her decision within thirty (30) days of the date of the hearing.

20.4 Grievance Administration Issues: Each party shall be responsible for paying the costs of presenting its own case in arbitration, including the payment of the party's own attorney fees, any non-employee witnesses, and expert witnesses. The costs of the arbitrator and hearing room shall be borne by each party paying fifty percent (50%) of any and all arbitrator fees, costs, etc. Either party has the right to request a court reporter and transcript and if such a request is made each party shall share fifty percent (50%) of the court reporter's fees and the costs. Days shall be counted as calendar days.

20.5 Time Limits: Failure of an employee and/or Union to submit a grievance in accordance with the time limits listed above and failure of the employee and/or Union to timely pursue a grievance to the next step shall constitute abandonment and dismissal of the grievance. This does not preclude the parties from extending the grievance time limits by mutual agreement.

ARTICLE 21 - CONTINUATION OF WORK

21.1 The Employer and the Union agree that the public interest requires efficient and uninterrupted performance of all Employer services; therefore, the Union agrees that it shall not authorize, cause, or condone any work stoppage, strike, slowdown, or any other

interference with Employer functions by employees covered by this Agreement.

- 21.2 Upon notification by the Employer in writing that any such interference has occurred, the Union within twenty-four (24) hours shall issue a written order to the employees involved to cease engaging in such interference; and the Union at the same time shall provide the Employer with a copy of such notification.
- 21.3 Individual employee(s) who engage in such work interruptions should reasonably expect to be subject to discipline up to and including discharge.

ARTICLE 22 - MISCELLANEOUS PROVISIONS

- 22.1 **Union Activity:** No employee shall be discriminated against for acting on a committee of the Union or for upholding Union principles or carrying out instructions of the Union where such activities are lawful. No employee shall suffer a reduction in wages, benefits, or working conditions as a result of the signing of this Agreement. This does not apply to wages, benefits, or working conditions negotiated and subsequently ratified by the bargaining unit members and accepted by both parties to this Agreement.

The two (2) fifteen (15) minute rest breaks may be combined into one (1) thirty (30) minute rest break by agreement between the City and Union. Misuse of the coffee break privilege may subject the employee to disciplinary action.
- 22.6 **Clothing Provided:** The Employer shall supply laundry service for uniforms, which are to be provided and worn by all full-time public works employees covered by this Agreement. The employer agrees to make available rain gear (pants, coats, coveralls, hip-boots, work boots and rubber gloves) and will replace on a fair wear and tear basis.

The employee will wear the gear on the job only. The employer will select the gear. In addition to the above gear, the employer will provide employees with boots as approved by the Public Works Director. Effective January 1, 2022, employees shall be allowed up to \$150.00 for footwear. The City shall continue to order the boots and provide them to the employee after approval by the Public Works Director. If the City requires uniforms for any position, the City shall provide them at no cost to the affected employee and shall provide uniform cleaning and maintenance as required to maintain clean and serviceable uniforms.

- 22.7 **Upon Termination:** No employee shall be required to provide tools for city work. Upon termination of employment, all clothing (excluding footwear), equipment, and tools provided by the City shall remain with the City.
- 22.8 **Non-Discrimination:** It is mutually agreed that there shall be no discrimination because of lawful union activity, union membership, race, color, religion, sex, age, marital status, sexual orientation, national origin, genetic information (Title II of the Genetic Information Nondiscrimination Act of 2008), or disability that does not prevent proper performance of the job (bona fide occupational qualification). The Union and Employer representatives shall work cooperatively to carry out these principles.

ARTICLE 23 - SAVINGS CLAUSE (Conformity to Law)

- 23.1 If any Article or section of this agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction, or by mutual agreement, the balance of this agreement shall continue in full force and effect. The Article or section held invalid shall be modified as required by law or a tribunal of competent jurisdiction, or shall be re-negotiated for the purpose of a replacement. In the event that the two parties do not agree that an item should be severed, then the Article or section in question shall be suspended from function or operation until the issue has been resolved by the appropriate legal authority.

ARTICLE 24 - PAID FAMILY AND MEDICAL LEAVE

- 24.1 Paid family medical leave premiums shall be paid by the employee and the Employer in accordance with the current RCW provisions.

ARTICLE 25 - ENTIRE AGREEMENT

2A.1 All Public Works Employees – Mandatory Certifications: Effective January 1, 2022, all Public Works employees shall be required to obtain and maintain the following mandatory certifications:

1. Washington State Class B Commercial Driver's License.
2. Washington State Pesticide Licensing for Public Employees, excluding Aquatic applications.
3. City approved First-Aid and CPR certification.
4. Washington State (or approved) Flagger certification.

All employees who are employed prior to January 1st, 2022 and who have not obtained the required certifications shall have until July 1, 2023 to obtain the required certifications.

All employees who are hired after January 1st, 2022 shall obtain the mandatory certifications/licenses as listed below within the timelines below:

First Aid/CPR – within 12 months from the date of hire.
Flagging Card – within 12 months from the date of hire.
CDL/Class B – within 18 months from the date of hire.
Pesticide License – within 18 months from the date of hire.

2A.2 The Employer shall be responsible for paying for training, testing fees (up to a maximum of three (3) attempts) and renewal or recertification costs for mandatory certifications unless the employee has allowed the renewal and/or recertification to lapse and/or expire as a result of the employee's negligence or inattention to timelines.

2A.3 Employees who have not acquired or who have failed to obtain and/or maintain the mandated certifications, shall be subject to accelerated disciplinary action without regard to the CBA Discipline article. Any employee who has failed to obtain or maintain the mandated certification shall be considered unqualified for the position and may be

immediately placed on administrative leave without pay until such a time as they have obtained the required certification(s) subject to the following:

1. Prior to being placed on administrative leave without pay, the City shall afford the employee an opportunity for a pre-discipline (Loudermill) hearing.
2. If the employee has available accrued leave time, they may utilize their accrued leave.
3. Employees who allow the mandatory certification to expire as a result of negligence and/or inattention to applicable timelines shall be immediately placed on administrative leave without pay for a period of sixty (60) workdays or longer or until such time as they have the certification renewed or until their employment is terminated.

2A.4 The Employer has the right to discipline or terminate an employee who has failed to obtain or maintain the mandatory and/or additional certifications as outlined above after the employee has been placed on unpaid administrative leave for a period of sixty (60) work days and has failed to obtain the required mandatory and/or additional certifications. Employees utilizing accrued leave in lieu of unpaid administrative leave shall be considered to be on unpaid administrative leave for the purpose of completing the sixty (60) workday period. Progressive discipline shall not apply to employees who are placed on administrative leave without pay for failure to meet the mandatory and/or additional certifications as outlined above.

1. Employees who are out of work based on a workplace injury shall be exempted from the requirement to obtain or maintain the mandatory and/or additional certifications until they have been released to work and have a maximum of sixty (60) work days to reestablish the mandated and/or additional required certifications if they have lapsed during the time of their workplace injury absence or modified duty restrictions that prevent them from maintaining or obtaining the certifications. After the workplace injury and assessment of their capabilities to perform the essential functions of the job, if they are determined to be incapable of performing the essential functions of the job, their employment is subject to termination after the Employer has complied with the Loudermill provisions in Article 19.

3A.1 **Recognition of Employer Certification and Licensing Needs:** The Union recognizes the needs of the Employer to maintain certain certifications associated with Water and Wastewater operations as well as other certifications and licenses such as, but not limited to, First Aid/CPR, Flagging Card, CDL/Class B and Pesticide Licenses in the Public Works division of the city. When a certification and/or license need is anticipated or present and unfilled within the Public Works Department, the Employer shall first post notice of the necessary position within the Public Works department for a minimum of ten (10) working days (14 calendar days). If no employee applies for the opportunity to fill the need, the Employer will then advertise the position to the public. If after thirty (30)

calendar days of advertising the position, no candidates with the necessary certifications apply for the job, , the Employer has the right to designate and mandate that an existing Public Works employee obtain the mandatory certification(s) as set forth above in sections 1A.3 and 2A.1.

1. If two or more current employees apply for a certification opportunity, and both meet the minimum qualifications, the most senior employee shall be provided the opportunity.
2. If no internal candidates apply, and no qualified external candidates are found, the Employer has the right to designate the most qualified person to pursue the necessary certification(s) and/or license(s), based on the Public Works Director's observation of their abilities. The designation/assignment by the Public Works Director shall not be subject to the grievance procedures.
3. The designated employee shall be scheduled to pursue training and testing for the certification(s) and/or license(s) as soon as practicable and will be placed on the corresponding pay scale upon designation of the Employer.
4. If the designated employee is unable to complete the training and obtain the mandated and/or additional certification(s) and/or license(s) after a reasonable effort (maximum of 3 attempts) within twelve (12) months, they may be returned to their original job duties and the Employer has the right to assign another employee to pursue the certification.
5. Employees designated to the pursue certification(s) and license(s) shall not refuse the position requirements, training, and/or certification. Refusal by an employee, failure to reasonable complete the training and/or certification within the maximum number of attempts allowed (up to three (3)) shall be grounds for termination or reassignment at the sole discretion of the Employer.

APPENDIX "C" - SUBSTANCE ABUSE POLICY & TESTING PROCEDURE

CITY OF GRANDVIEW PUBLIC WORKS BARGAINING UNIT

1.C OBJECTIVE

The City of Grandview has a strong commitment to provide a safe work environment for its employees and to establish programs promoting high standards of employee health and safety. Consistent with that commitment, this Substance Abuse Policy and Testing Procedure has been established.

2.C POLICY

- A. The unauthorized use, sale, transfer, or possession of alcohol, drugs, controlled substances and/or "mood altering" substances (except the possession or use of prescribed medication, verifiable by a current, properly issued prescription) during work hours, (including meal and rest periods), on City property, in City vehicles, or in personal vehicles while conducting City business is prohibited. Violation of this section of the policy shall result in disciplinary action which may include termination of employment.
- B. Reporting for work impaired by the use of intoxicants, becoming impaired by the use of intoxicants during working hours through the use of alcohol, drugs (including prescribed medication), controlled substances and/or "mood altering" substances is prohibited. Violation of this section of the policy shall result in disciplinary action which may include termination of employment.
- C. Knowledge of cautions and warnings printed on the prescribed and/or "over-the-counter" medication container labels are the sole responsibility of the employee. Consultation with the employee's attending physician, concerning the affects a substance may have on that employee, may be appropriate. An employee utilizing prescribed and/or "over-the-counter" medication(s) that could adversely affect job safety or performance must immediately report that fact to his/her supervisor. Violation of this section of the policy shall result in disciplinary action, which may include termination of employment.
- D. The City reserves the right to conduct searches of City property, City vehicles or equipment at any time or place. The City reserves the right to conduct searches of an employee, or any vehicle used by the employee while on duty, when there are reasonable grounds to believe the employee is in violation of this policy. Failure to cooperate with these procedures, without just cause, may be grounds for dismissal.

- E. The City recognizes drug dependency as an illness and a major health problem. The City also recognizes drug abuse as a potential health, safety, and security problem. Employees needing help in dealing with such problems are encouraged to use our Employee Assistance Program (EAP) and health insurance plans, as appropriate. Conscientious efforts to seek such help will not jeopardize any employee's job and will not be noted in any personnel record.
- F. Employees must, as a condition of employment, abide by the terms of the above policy and report any conviction under a criminal drug statute for violations occurring on City premises while conducting City business. A report of a conviction must be made within five (5) days after the conviction. (This requirement is mandated by the Drug-Free Workplace Act of 1988.)

This policy supersedes any and all previously issued City Drug/Alcohol Policies and will be applied to all Public Works bargaining unit employees as follows: All bargaining unit employees are subject to the reasonable cause testing and only those employees required to have a Commercial Driver's License are subject to post-accident and random testing.

3.C SUBSTANCE ABUSE TESTING

- A. **Reasonable Cause Testing:** The applicable substance abuse testing procedures outlined below will be initiated if the following event occurs: A supervisor, through objective observation or investigation or evaluation concludes that an employee has consumed and/or used controlled substances. The supervisor must be trained and certified in the area of proper detection. All relevant facts pertaining to an investigation conducted pursuant to the event mentioned above will be documented in writing and preserved for future reference by the City and Union.
- B. **Post-Accident Testing: Employees possessing a Commercial Drivers License (CDL)** will be subject to post-accident testing without a finding of reasonable cause only if the accident involves a commercial motor vehicle the employee was operating, and there is loss of human life, or the employee receives a citation for a D.O.T reportable accident as defined in Section 390.5 of the Federal Motor Carrier Safety Regulations. Urine samples for post-accident drug testing must be obtained within thirty-two (32) hours of the accident. Breath samples must be obtained within eight (8) hours of the accident. An employee who is directed to undergo a post-accident test for drugs and/or alcohol must report for testing as soon as possible after the accident. NOTE: Employees are forbidden to drink alcohol within eight (8) hours after an accident unless they have already submitted to post-accident testing for the accident, or the Employer has determined they were not at fault.
- C. **Random Testing: Employees possessing a Commercial Drivers License (CDL)** will be subject to random drug and alcohol testing only to the extent required by applicable federal regulations. Pursuant to current regulations the Employer will

randomly drug test its employees who are performing functions for which a Commercial Drivers License ("CDL drivers") is required at an annual rate sufficient to equal 50% of its total number of CDL drivers. The Employer may choose any reasonable method of randomly selecting employees to be tested but must retain records regarding the method used and employees selected and must provide that information to the Union upon request. Pursuant to current regulations, the Employer will conduct random alcohol testing at any annual rate sufficient to equal 25% of its total number of CDL drivers.

4.C SUBSTANCE ABUSE TESTING PROCEDURES

- A. The City will transport an employee subject to reasonable cause testing or post-accident testing per Section III (B) above (if cited at the accident scene), to a pre-determined testing facility near his/her work area.
- B. The employee will be requested to submit to the testing procedures. The employee has the right to refuse to submit to the tests; however, refusal to submit to the tests may be grounds for termination.
- C. The employee will provide a urine sample or breath sample. The urine sample will be provided for analysis to determine the amount, if any, contained in the employee's urine of all substances listed in paragraph six below, except ethyl alcohol. The breath sample will be provided for analysis to determine the amount, if any, of ethyl alcohol contained in the employee's blood. The urine sample results will be analyzed by a professional Medical Review Officer (MRO) selected by the City. The breathalyzer test will be administered by the City Police Department or an approved pre-determined testing facility as appropriate, using up-to-date Federal and/or State-mandated methods.
- D. Collection of the urine specimen will be under the direction of qualified medical personnel. All provisions of the attached "chain of custody" form will be adhered to. Collection of the urine specimen or breath sample will take place as soon as possible following the observation. The employee will cooperate fully in the collection of the specimen or sample. An employee tampering with the specimen or sample or refusing to submit to the test within a reasonable period of time may be terminated. If the employee refuses to provide the urine sample within a 24-hour time frame (unless physically unable), that action will result in disciplinary measures, which may include termination of employment.

The employee has the right to an independent urine specimen analysis or blood test for alcohol at a facility of his/her choosing, at the employee's expense. To facilitate an employee's request for an independent analysis, at the time of the original specimen collection, two (2) samples must be taken. The original testing laboratory will place one (1) sample in secure refrigerated storage. If the first (1st) sample reveals a positive result, the employee will indicate which laboratory he wishes the

second (2nd) sample be tested. If the independent analysis results are negative, the employee will be reimbursed for the cost of the second (2nd) test and for all lost wages and benefits, *i.e.*, sick leave hours restored to sick leave bank.

- E. After collection of the specimen or sample, in cases where the employee had been transferred to the testing site by the City, the employee will be transported to his/her residence, to the worksite, if appropriate or other safe location. The employee will not be allowed to continue work until the test results become available and are evaluated. Pay for this period of time shall be deducted from the employee's sick leave payable with the first day the employee was removed from the workplace.
- F. The urine specimen will be forwarded to SmithKline Beecham Clinical Labs, Seattle for analysis. Strict adherence to the chain of custody requirements will be followed during the transportation of the specimen to the laboratory. The laboratory through the MRO will analyze the specimen for the following substances (the positive level of detection is in parentheses following the name of each substance): amphetamines (700 ng/ml), barbiturates (300 ng/ml), benzodiazepines (300 ng/ml), cannabinoids (50 ng/ml), cocaine metabolite (300 ng/ml), methadone (300 ng/ml), methaqualone (300 ng/ml), opiates (300 ng/ml), phencyclidine (75 ng/ml), and propoxyphene (300 ng/ml). The laboratory will communicate the test results to the Medical Review Officer, who in turn will relate the results to the employee, City Supervisor, and the Mayor. Positive test results will be communicated to the employee, by the MRO, for clarification.
- G. Should the results be negative for drugs, but positive for alcohol at a level of at least .02, but less than .04, the employee shall be held out of driving for twenty-four (24) hours beginning from the time the test was requested and shall be required to test at or below the .02 level before returning to duty. The employee shall be assigned to non-driving duties, if possible, during that twenty-four (24) hour period
- H. Should the test results be positive for drugs or positive for alcohol at or above the .04 level, the employee shall not be permitted to return to work until the employee has been evaluated by a Substance Abuse Professional ("SAP"), approved by the Union and the Employer. If the SAP recommends treatment that prevents the employee from working or requires that the employee be held out of service while the treatment is pursued, the employee will be placed on medical leave without pay, except sick leave, vacation, and disability, if available, until the SAP authorizes the employee's return to work. Subsequent reinstatement will be without loss of seniority. Any employee testing positive will be permitted to return to work only if the employee has signed the "Agreement for Continuation of Employment," a copy of which is attached to this policy.
- I. For purposes of this policy, being "impaired" or "under the influence" means being unable to perform work in a safe and productive manner, being in a physical or mental condition which creates a risk to the safety and wellbeing of the individual,

other employees, the public, or City property. The symptoms of influence and/or impairment are not confined to those consistent with misbehavior or to obvious impairment of physical or mental ability such as slurred speech or difficulty in maintaining balance. AN EMPLOYEE WILL BE PRESUMED TO BE IMPAIRED AND IN VIOLATION OF THIS POLICY WHENEVER THE PRESENCE OF DRUGS OR ALCOHOL, AT OR ABOVE THE LEVELS SET FORTH IN PARAGRAPH SIX, IS DETECTED IN A SUBSTANCE ABUSE TEST ADMINISTERED UNDER THE TERMS OF THIS POLICY.

- J. Test results will be stored at the Grandview City Hall in a secure file outside the regular personnel files. Access to the file will be extremely restricted--only the City Supervisor, Mayor, the Public Works Director, and the Parks & Recreation Director will have access. All records will be treated in the most confidential fashion by the City and the Union.
- K. All costs associated with substance abuse testing, other than a positive test result of an independent analysis requested by the employee, will be paid by the City.
- L. Should analysis of the specimens indicate a negative level of a substance in an employee's system, the employee will be reinstated to his/her former position and compensated for lost wages and benefits, *i.e.*, sick leave hours restored to sick leave bank.
- M. Should analysis of the specimens indicate a positive level of a substance (.04 or above for alcohol) in an employee's system, the employee will have the following options:
 - 1) Terminate employment with the employer, or
 - 2) Comply with the terms contained in Section III (8) above. The right to return to work without loss of seniority shall be on a one (1) chance only basis unless mutually agreed otherwise.

5.C SELF-RECOGNIZED SUBSTANCE ABUSE

Employees with a substance abuse problem must immediately notify their supervisor of their condition. For evaluation purposes, a substance abuse test may be appropriate. If, in the opinion of a qualified drug/ alcohol counselor, the employee requires rehabilitation services, the employee will have an option to enroll in a rehabilitation program and be subjected to the guidelines as outlined in Section III (13) above.

EMPLOYEE BRIEFING AND INSTRUCTIONS FOR DRUG TESTING

YOU HAVE BEEN SELECTED FOR URINE DRUG TESTING

The collection of your urine will be conducted under the procedures listed below. These regulations allow for individual privacy unless there is reason to believe that a particular individual may alter or substitute the urine specimen to be provided. The collection site persons will take precautions to ensure that your specimen is not adulterated or diluted during the collection procedure. Your specimen collection must also follow strict chain of custody and security procedures.

In addition:

- A. Photo identification must be presented at the collection site or personal individual identification is necessary.
- B. You will be asked to remove any unnecessary outer garments such as a coat and jacket.
- C. All personal belongings like briefcases will remain with the outer garments. You may retain your wallet.
- D. You will be instructed to wash and dry your hands prior to providing a specimen.
- E. You will be provided a sealed collection container or bottle, or it will be unwrapped in your presence.
- F. Your specimen will be provided in the privacy of a stall or otherwise partitioned area that allows for individual privacy.
- G. After handing the specimen bottle to the collector, you should keep the specimen in full view at all times until it is sealed and labeled. This protects you against the wrong label being put on your bottle or someone possibly tampering with your specimen.
- H. If the collection site person has reason to believe that you may have altered or substituted the specimen; the person will notify the City's Medical Review Officer. Should you tamper, adulterate, or in any way attempt to dilute the specimen, the collection site person will request authorization to collect a second specimen under direct observation by the same gender collection site person.

- I. You will be asked to initial the identification label on the specimen container for the purpose of certifying that it came from you.
- J. You will also be asked to provide information on the chain of custody form, Section VII on copies 3 through 6 only, and certify that the urine specimen identified as having been collected from you is in fact the specimen you provided. You will receive copy 4 of the chain of custody form on which you may want to make a list of medications you are taking.
- K. After the laboratory analysis, the results will be forwarded to the Medical Review officer working for your employer. Prior to making a final decision to verify a positive test result to your employer, the Medical Review Officer will give you an opportunity to discuss the test results and submit medical documentation of legally prescribed medications.
- L. A complete listing of the collection procedures may be found in Title 49 CFR Part 40.25.

AGREEMENT FOR CONTINUATION OF EMPLOYMENT

This Agreement is entered into by and between CITY OF GRANDVIEW ("Employer"), Teamsters Union Local No. 760 ("Union"), and _____ ("Employee"). The Employer is committed to providing channels of assistance for employees seeking rehabilitation. However, the employee seeking rehabilitation must be committed in his/her efforts to remain drug and/or alcohol free. Therefore, as part of the employee's commitment to remain free of drug and/or alcohol use it is understood that the employee's continuation of employment by the Employer is based upon and constrained by the following terms:

1. The Employee must submit to evaluation of potential drug or alcohol problems by a recognized and certified Substance Abuse Professional ("SAP") agreed to by the Union and Employer. This evaluation should be completed within one week from the date of this document.
2. The Employee must agree to participate in all rehabilitation treatment recommended by the SAP.
3. The Employee must authorize the SAP to provide a copy of the SAP's recommendations to the Employer.
4. The Employee may return to his/her normal duties only when the SAP concludes that the Employee is in compliance with the SAP's treatment recommendations, if any, and the Employee has tested negative for alcohol and/or drugs, as required by the SAP.
5. The SAP will closely monitor the Employee's compliance with the SAP's recommendations. Failure of the Employee to adhere to the program of treatment recommended by the SAP will subject the Employee to disciplinary action by the Employer, up to and including discharge.
6. The Employee, the Employer, and the Union mutually agree that the Employee's continuation of employment is contingent upon the Employee's satisfactorily meeting all of the terms outlined in this Agreement, and that failure to do so may subject the Employee to immediate discipline up to and including discharge.
7. During the period of rehabilitation treatment as outlined by the SAP, the Employer will test the Employee for alcohol and/or drug use, as directed by the SAP, on an unannounced basis. There shall be a minimum of six (6) such unannounced drug and/or alcohol tests during the twelve (12) month period following reinstatement. However, such unannounced tests are in addition to any tests that may be necessitated on a reasonable suspicion, post-accident, or random basis as part of the Employer's Substance Abuse Program. The Employee will be subject to disciplinary

action up to and including discharge if the Employee refuses to submit to testing or if tests positive for drugs or alcohol during this period.

8. If the Employee successfully completes treatment and has no positive drug and/or alcohol tests within twenty-four (24) months after reinstatement, the initial positive test shall not be used in any future discipline or personnel action unless it relates to substance abuse.

At the Employer's discretion, the Employee understands that if the employee does not meet the above terms of this Agreement, in lieu of discipline and/or termination, the Employer may require the employee to submit to in-patient care for rehabilitation and to agree to a renewal of this Agreement for an additional twelve (12) month period thereafter.

This Agreement is voluntarily entered into by all parties in consideration for continuation of the employee's employment.
