City of Grandview

## **ADA Transition Plan Open House**

The City of Grandview is holding an open house meeting for the public to review its ADA inventory and discuss the process for developing its ADA Transition Plan.

What is an ADA Transition Plan? An ADA Transition Plan identifies barriers to ADA compliance and provides actions that the city can take over the next several years to remove barriers within the public right-of-way and city-owned facilities.

Why is Grandview creating an ADA Transition Plan? To remain in compliance with ADA, all local agencies with more than 50 full-time employees that receive federal funding are required to complete an ADA Transition Plan.

Who should attend? This is an open-house meeting, and all are welcome.
